Blearding Plane Keys,

A writer in the English Mechanie says that the reason why piano keys turn yellow is breams they absorb the grease from the fingers; it is therefore necessary to neutralize this. If s paste made from whiting and a selution of potesh is laid on and allowed to remain for twenty-four hours, the icories will be restored very nearly, if not quite, to \$5." their original color, without removing them from the keys.

people got their eyes open to the superiority of American inventions, farm implements, tools, etc. Hundreds of thousands of sewing machines have been sold in that country, and farmers who have the means are rapidly supplying themselves with labor manufacture.
